

FTP login at FCI Digital

Host name: <http://98.103.118.66/login>

User ID: guest

Password: fciD\$upload

Please use the Secure login vs. Anonymous login as you will have the ability to create a folder for your files, plus download privileges as well. We clear off files within 24 hours.

NOTE: Please send an email to support@fcidigital.com when upload has completed, and cc: your production manager at Four Colour Print Group to let us know files have been sent.

To prevent damage during file transfer, please compress files (except PDFs) before they are transferred. To compress files, use Stuff-It for Macintosh and WinZip for PCs.

If you need to send a package to FCI Digital (i.e. you want to send disks or thumb drives or wish to send hardcopy lasers or transparencies or prints for scanning), here is the address:

FCI Digital
2032 South Alex Road, Suite A
West Carrollton, OH 45449

Phone: (937)859-9701
Email: support@fcidigital.com

If you prefer a private folder to upload your files, please [email us](#) for login credentials.

If you cannot use our FTP site for any reason, please send files using [Dropbox](#), or the free email service [Smash](#), which does not require registration.
